Dear Musicians,

Our Southern Gospel Breakfast here at Countryside Christian Center was a 100% success, primarily due to the music ministry of the New Day Music Ministries artists. Our crowd thoroughly enjoyed the music and presentation by Dan Siler, Deborah Trissel, Shayne Mathena, Sterling Smith, and Wayne Groves. We will be contacting you for an evening concert in January of 2008.

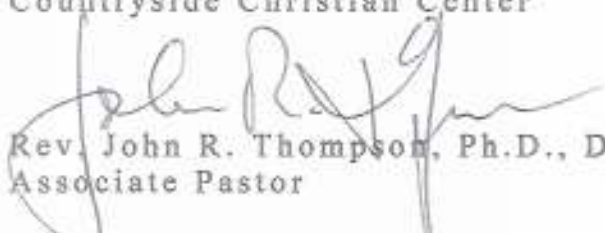

As you may know, we have been host to artists such as Michael W. Smith, the Blackwoods, Carmen, Russ Taft, and many others since 1986. Your group certainly ranks along with the best when it comes to extolling Christ and in working with our schedule, which changed at the last moment.

While we were greeting our guests, I looked up and saw a couple of your wives greeting our people as well! Your crew fit in to our crowd and became just "part of the family."

You are certainly welcome to use this letter and to share our phone number with anyone who is seeking a reference on your ministry. You are in our prayers and we believe that God has great things for you in this latter part of 2007 and into 2008.
