To Whom it may concern,

This letter comes as a formal recommendation for the New Day Music Ministries to your Church, Ministry or function. These precious people are not just singers and musicians, they are tremendous New Testament Ministers who have a great desire and passion to reach people with the wonderful life Changing Gospel of Jesus Christ.

We consider New Day as a part of our congregation, and always have a wonderful time of worship and fellowship whenever they are near. I have personally had them minister for me here at Living Waters for five services during 2007 and they are also scheduled to sing in the New Year with us on December 31. This group is well received and loved by our entire congregation and each time they are here the attendance grows and tremendous things take place.

My recommendation to you is that you book them now, you and your group or congregation will be so enriched by their Christian service. Call Wayne or Sterling anytime there are two of the best guys you will ever deal with.

If I can be of any further help or assistance please feel free to contact me office at 407-847-6387.

Yours truly in the service of King Jesus,

John Thomas Swiney, M. Div.
