

I met Wayne Groves and his family a few years ago and I thank God for that day. The Groves Family has sung at our church for a few years. We book them for our anniversary service every year.

Everyone loves Bro. Wayne and his family. Their singing is the best and their testimony is even better. The Groves Family sings for the Lord and I know it comes from the heart. They have never let us down. We look forward to hearing them each year. They are a blessing!
