When searching for a group to come sing for our evening Vespers Fellowship in Nalcrest, FL, I found your website and played some of the sample music. Your musical style was exactly what I was looking for. I was very pleased that you agreed to sing for us.

Your performance was much more than expected! The harmony was superb, and the addition of Sterling as your bass singer added a great touch to your Southern Gospel songs.

As the group's tenor, son, Joe, did a wonderful job! Daughter-in-law, Nichole, added a beautiful, sweet compliment to the men's voices. And as lead singer, Wayne sang splendidly as he shared the Gospel in song.

Those who were fortunate enough to attend this concert were very glad they came, and they expressed compliment after compliment about the Groves Family Ministry! We will be very happy to have them minister to us again next year!
