

Bro. Wayne,

I am delighted to share what a blessing you have been to our church. Each time you have come we have enjoy a spirit blessed service. You always come with a humble attitude and desire to minister not put on a performance. That matters a lot and sets the stage for the preaching. We often recommend you to other churches as well. Keep on this path and God will certainly bless you more and more. God bless you.

David Steele, Pastor
Narcoossee Baptist Church
