TO WHOM IT MAY CONCERN:

I am writing this letter to exercise my great privilege of recommending the Southern Gospel group, "NEW DAY" for your church or ministry. This is truly a group of believers who, without a doubt, love God, their families, people, and music. They sing and conduct themselves with a passion for souls.

While pastoring in Land O' Lakes, Florida, for a 6-year period, I had the honor of hosting them at my church on two occasions. Both times, they were well received by our congregation, and truly blessed our church in a most needed way. Their sound exudes the glory of the Lord.

If you should need further information from me, please don't hesitate to call me at (813) 879-4673, extension #7516.

In His Service,

Daniel R. Brockman, Associate Pastor
